BID BULLETIN No. 8

LAST MINUTE REMINDERS

Please be informed that the **LUECO Bids and Awards Committee (BAC)** is issuing **Bid Bulletin No. 8** to serve as a reminder regarding the Bid Submission requirements and procedures.

To wit:

1. On Notarization Requirements:

- a. The need for notarized documents depends on the rules and regulations set by the issuing authority, such as the Energy Regulatory Commission (ERC).
- b. If the bidding rules explicitly require notarization, then failure to provide notarized documents may result in disqualification.
- c. The BAC clarified that the requirement for notarization does not originate from LUECO but from ERC or other regulatory bodies—hence, Bidder must comply.

2. On Submission Timing and Reminders:

- a. Bidders are advised to send their soft copies ahead of time to avoid any delay due to technical problem, even an hour before the deadline, since documents are password-protected and cannot be opened prematurely.
- b. Strict adherence to submission deadlines is expected, i.e., documents must be received on or before the prescribed time, to avoid disqualification.
- c. Please check that all required documents to be signed are signed by the authorized signatories.

Please be guided accordingly.
